

prt::EngineState

```
graph BT; A[prt::ErrorState] --> B[prt::EngineState]
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray rectangular box containing the text 'prt::ErrorState'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'prt::EngineState'. This visualizes 'prt::ErrorState' as a base class and 'prt::EngineState' as a derived class.
