

prt::Buffer

```
classDiagram
    class prt__Buffer
    class prt__vk__StagingBufferScope
    prt__vk__StagingBufferScope --|> prt__Buffer
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a black border containing the text 'prt::Buffer'. Below it is a gray rectangular box with a black border containing the text 'prt::vk::StagingBufferScope'. A dashed purple line connects the two boxes, starting from the bottom box and ending with a solid purple arrowhead pointing to the top box. To the right of the dashed line, the text 'buffer_' is written in a light gray font.

buffer_

prt::vk::StagingBufferScope
